

Thanks for registering with **Landscape in Acrylic with Scott Meyers!**

Here's directions to our space and supply list.

**Directions:**

The Eno Arts Mill is located at 437 Dimmocks Hill Road, Suite 17, in Hillsborough, but be warned! Your GPS will not lead you to our suite. The best thing to do is look for the tall smokestack once you're close to mill. You'll come down the side street - Allison St./Eno Mountain Rd., depending on which direction you're coming from - and turn down the driveway directly in front of the smokestack. Turn right into the Lower Level Parking Lot, and you'll see our space about half way down the walkway. We're located right next to the Expedition School. There are two handicapped accessible parking spaces directly in front of our suite.

**Supplies you'll need to bring to the class:**

**Paint:**

- A big tube of Titanium White.
- A big tube of Ivory Black.
- Raw Umber
- Cadmium Red
- Cadmium Yellow
- = Cerulean Blue or Pthalo blue, either or both.

These are the must have colors. Anything else you want to bring, we will find a way to use.

**Other Supplies:**

- Acrylic Pad. 10 sheets. 9x12 or larger
- 1 Canvas. 24 x 36 or larger
- Any and all brushes you have collected and are curious to learn about. There is no one correct brush. Any single brush can be enough to paint a wonderful picture. Bring your favorite, or least favorite. Both will work.
- Empty paint bucket (they sell these at Lowes)
- Spray bottle
- Rags
- Palette
- Landscape references

We are mask friendly, and masks are optional at this time.
